

SCALAR ENERGY FOR THE WORLD...

The testimony below is from a woman that suffered for 35 years from herpes simplex virus 2. The Scalar Light Pathogenic Cleanse administers Scalar light to photographs of people, animals, plants, or objects. We do not work directly with people.

Hi Tom,

"I have had Herpes 2 for about 35 years. I am so very glad I came across your site in 2017. I have searched for years for a cure. I was afraid to have the PCR test, but I really wanted to put this past behind, so I forged ahead this past week. As you can see from the results I sent you that there is no DNA found for both Herpes 1 and 2.

Thank you so much!"

PCR test result

<p>This test was developed and its analytical performance characteristics have been determined by Quest Diagnostics Nichols Institute Chantilly, VA. It has not been cleared or approved by the U.S. Food and Drug Administration. This assay has been validated pursuant to the CLIA regulations and is used for clinical purposes.</p>		

The Scalar Light Pathogenic Cleanse negates the molecular bonds of the herpes simplex virus 2, thereby causing the infectious agent to cease to exist. Subsequently, healing takes place as the body repairs the nerve damage suffered from the herpes simplex virus 2.

Symptoms diminish and typically disappear over time.

May God grant you excellent health. Thank you.
